Dear Potential Sponsor:

Since 2020, InHER Piece has become a pillar in the 2A culture, celebrating diversity, education, safety, integrity, and community among a growing demographic of interest – women of color. We have remained true to our mission, vowing to ensure **all** women have access to the information, tools and education needed to exercise their Second Amendment rights.

To ensure our efforts continue, we are pleased to announce our inaugural Friends and Family Fundraising Gala, themed **Shooting for the Stars!** The formal event will be held Saturday, October 28, 2023, at the beautiful Embassy Suites, Crabtree, located in Raleigh, North Carolina. The black-tie celebration will begin at seven o'clock in the evening and will feature a fully catered dinner, an award ceremony, a live DJ, and networking opportunity. We are most excited to announce that our special guest, Mrs. Beth Alcazar of the USCCA will be delivering the keynote address for the evening.

To ensure this gala is a success and to help us continue the impact InHER Piece is making within the 2A community and beyond, we are relying on the support of generous individuals and businesses who share our passion, mission, and core values. We would be honored if you would consider being a Sponsor. Package descriptions, including the many benefits we offer, are attached for your review. While contributions and gifts are not deductible as charitable donations for federal income tax purposes, all sponsorship monies are deductible as a business expense.

Thank you for your careful consideration and the support you provide to our communities. We certainly hope we can count on you to support our continued efforts. Should you have any questions or require additional information, please feel free to contact me directly at 919-444-8911 or via email at info@inherpiece.com.

Gratefully yours,
