Pistol Qualification Program (PQP)

The InHER Piece Pistol Qualification Program is a progressive course of fire designed to build upon handgun safety and marksmanship fundamentals. This evaluation exercise with a minimal qualification level of **Apprentice** is required of all InHER Piece members intending to participate in live-fire range activities. Chapter Leaders and certified instructors must meet and maintain the **Sharpshooter** classification, at minimum.

This evaluation assesses four domains (safety, marksmanship, troubleshooting, and live-fire performance) intended to confirm a proficient understanding of firearm safety and the successful application of shooting fundamentals.

Part 1 | SAFETY

Required for all levels.

Recite, demonstrate, and explain the **4 Universal Rules of Gun Safety**.

1. Treat every gun as if it is loaded.

3. Keep your finger off the trigger until ready to shoot.

Ammunition Malfunctions

1. Misfire

ANNUAL RECERTIFICATION

Shooters who successfully complete the Coach level must requalify annually to maintain the certification. Requalification requires the completion of the Coach COF and the repetition of the Safety, Fundamentals, and Troubleshooting requirements.

Any shooter with a lapse exceeding twelve months since the last *attempted* stage is strongly encouraged to restart the program.

The PQP course of fire, inclusive of live-fire exercises, is intended to progress over the course of several months with emphasis on building a solid foundation of gun handling skills. Students are encouraged to spend sufficient time practicing applicable skill focus areas prior to attempting each stage for certification.

Stages must be completed in order, and each level may be attempted multiple times, as needed for successful completion. Stage completions must be witnessed by an InHER Piece Chapter Leader, RSO, or Coach, who will document the performance on the shooter's official Achievement Record (attached). InHER Piece PQP achievement buttons will be presented to participants with each level achieved as a token of recognition.

The Leader badge is awarded only to Chapter Leaders who have earned the Coach designation.
